

## SUPREME BALL JOINTS

**ENGINEERED  
TO LAST LONGER**

**DESIGNED  
FOR EASIER  
INSTALLATION**

### Superior Durability For Maximum Uptime

Engineered for increased durability under all conditions, Mevotech Supreme Ball Joints feature exclusive upgrades to excel in demanding operating environments. Plus innovative Labor Savers, from the Bootstaller to the additional hardware, make your installations faster and easier.

### SINTERED METAL STRENGTH

Get longer part life and extra durability with tough, self-lubricating sintered bearings.

### KEEP WATER AND DEBRIS OUT

Multi-lip boot design keeps contaminants out.

### MORE MATERIAL

Get longer part life from larger diameter ball pins that minimize loading and flex.

### CORROSION PROTECTION

Prevent rust build up and increase longevity with long lasting anti-corrosion surface treatment.

### High-Performance Ball Joints that are Built to Last

Designed for fast and easy installation and rigorously tested to ensure real-life durability and performance, Supreme ball joints deliver strength and performance where it counts.

## Part of a Job Well Done

Supreme ball joints are built to last, no matter how demanding you are on your vehicle. With engineered component upgrades, Supreme ball joints deliver increased durability and part life for high-usage commercial and passenger vehicles.

### Labor Saver Advantages

Save time and money with everything you need included right in the box.

### X-Factor Upgrades

Engineered enhancements and upgrades that maximize durability and performance.

### Innovation You Can Trust

Make Mevotech innovation your advantage with over 12 patented chassis technologies and counting.

### Quality You Can Count On

Rigorous testing means Mevotech parts outperform time after time.
